Site tools, free

Voltage drop, cable sizing, max Zs, safe isolation. They work with no signal.

Exam prep

Questions for phases 2, 4 and 6, every answer explained against I.S. 10101.

Toolbox talks

One for every week of the year, signed on the phone, filed as a PDF.

No account, no card, no app store: it opens in the browser, and added to the home screen it works like an app.
